One day with Thannal.

Spend a day at Thannal campus interacting with founder **Biju Bhaskar** regarding his journey of learning about Natural Buildings. Experience various natural building techniques in our projects, the *Earth Bag Studio*, the *Singing Dervish Studio*, Water tank in mud and lime and other experiments, which can help you be confident in using natural materials. Know more about value based on-going projects we do, about other natural builders in India and abroad and books written by them. The course includes question answer session and site-visit. Experience Natural Living and share your thoughts and vision about natural buildings with like-minded people at Thannal.
